New Postal Rates To Take Effect March 2

Postmaster William Wollman today reminded U.S. Postal Service customers that new postage rates will go into effect Saturday.

"Beginning March 2," Mr. Wollman said, "first class mail will be 10 cents per ounce, air mail will be 13 cents and post cards eight cents."

The Postmaster also pointed out that mailers may purchase their new stamps by mail, saving time and a gasoline-consuming trip to the post office. These orders may be paid by check or money order.

Because of the shortage of paper for printing and the mammoth logistics job of providing official Postal Service stamps-by-mail order blanks to some 42,000 post offices, the new order forms may not be available at all locations in time for the rate change.

Third class mail rates, mostly for advertising material, will rise by 1.3 cents per piece, putting the rate at 6.1 cents for each of the first 250,000 pieces mailed and 6.3 cents for each additional piece.

Fourth class mail rates, mainly for parcel post, will increase an average of six percent, depending on weight and distance.

While the full increase for airmail, first class, third class and parcel post matter will take effect on March 2, the rate increases for second class mail, (i.e. newspapers and magazines) and a special fourth class rate for educational materials, will be spread out over varying periods through mid-1982.

Second-class rates are computed on several different bases, reflecting advertising content of the periodicals involved and distance mailed.

Mailed books and records will rise from 15 to 18 cents for the first pound, with the cost of each additional pound 3 cents. The same as presently charged.

International rates will rise by 20 percent, all rates to Canada and Mexico will be the same as the higher domestic rates in most categories.

Cost of mailing a one-ounce international surface letter will rise from 15 to 18 cents. Air mail letter rates to Western Hemisphere countries from 21 to 26 cents for each half ounce, up to two ounces. Surface and air parcels will rise about 15 percent.

Higher operating costs were cited by the Postal Service as the reason for the rate increases, Wollman said.

The Postal Reorganization Act of 1970 transformed the old Post Office Department to the independent governmental agency named the U. S. Postal Service. In the Act Congress re-

quired that postal rates and fees provide sufficient revenues so that the Postal Service gradually became supported by the mail users instead of by the taxpayer.

The Act provides that "Postal rates shall be established to apportion the costs of all postal operations to all users of the mail on a fair and equitable basis."

It provided an independent Postal Rate Commission, ap-

pointed by the President, to determine postage rates. The Postal Service proposed increased rates to the Rate Commission last September, and scheduled their implementation on a temporary basis January 5.

The Cost of Living Council reduced the effective amount of the total increase by ruling that the changes should not take effect until March 2, and the Postal Service decided not to appeal this ruling.

Albany Police Capture Kidnap in Oakland

Albany police did it again!

Chief Jim Simmons reports that Inspector Mel Boyd and Sgt. Archie Sterli captured and apprehended an armed kidnaper last Thursday in Oakland.

It started in Richmond, where Larry Jerry Clark, 27, robbed the Jack-in-the-Box at gunpoint. He ran west on Panama, where George Anthony Blair, owner of Bay Excavators, was coming out of his house to drive away in his gold-colored pickup. Park jumped in the vehicle and directed Blair to drive him to the freeway.

El Cerrito police broadcast the description of the vehicle and what had happened. In the tower at the racetrack, Officer John Ford heard the broadcast and scanned the nearby freeway. He saw the pickup going south and notified Albany police.

Boyd and Sterling overtook the pickup at the freeway and University but were unable to stop it. The pickup went off at the 14th Street off-ramp in Oakland, to Cypress and the intersection of Seventh St. and Seventh Ave., where a truck crossed its path, forcing it to a halt.

Boyd approached on the driver's side and Sterling on the passenger side. Park had a seven shot, two-inch revolver in his lap. He was taken into custody, a bag of money was recovered and Park was brought to the Albany station. He was later turned over to Richmond police.

Albany High Orchestra Gives Concert

The forty-nine member Albany High School Concert Orchestra will present its twentieth annual String Concert Thursday evening, February 28, at 8 p.m. in the Albany High School Little Theatre.

Celebrating the 50th anniversary of the first performance of "Rhapsody in Blue," the orchestra will play Gershwin's most famous composition with Joseph F. Crovotto as piano soloist. Fifty years ago the "Rhapsody" was first played by the Paul Whiteman Orchestra with the composer at the piano. It has proved one of the most popular pieces on the American musical scene since.

Joseph Cravotto, a senior at Albany High School, is a pupil of Albany piano instructor Ida Doyle. He is a violinist in the Albany Orchestra, plays percussion in Concert Band and electric bass in jazz band. He is organizer and leader of the school's pep band, and serves as student conductor for concert band and as pianist for the department musicals.

Three other senior Albany music students will also be featured on the program. Janet Elliott, oboist, will play the Handel B Flat Oboe Concerto; Patricia Meissner, clarinetist, will play the Weber Clarinet Concerto No. 1; and cellist Rita Kingsley will perform the Vivaldi E Minor cello concerto.

Janet Elliott is first oboist in the Albany High Orchestra and Concert Band. She is a pupil of Erenst Douglas and was chosen this month to play principal oboe in the University of Pacific Music Clinic Band.

Patricia Meissner, a pupil of Alan Pollack, is principal clarinetist in the Albany Band and Orchestra, and is also a member of the Oakland Symphony Youth Orchestra and the San Francisco Conservatory Orchestra. Last year she received top honors at the California Music Educators' Solo and Ensemble Festival in Concord.

Rita Kingsley is principal cellist in the Albany High Orchestra and a member of the Berkeley Young People's Symphony Orchestra. She is a pupil of Berkeley's Mildred Rosner, and last summer travelled with the Young People's Symphony to Aberdeen, Scotland, to represent the United States at the International Festival of Youth Orchestras.

The evening's program will open with the first movement of Haydn's Symphony No. 7 in C.

The Albany High School Concert Orchestra is one of the oldest school music organizations in the East Bay, having been formed in the '30s. For the past twenty-one years it has been under the direction of Erenst Douglas.

The concert is free and open to the public. Following the program, the Albany High School Band Boosters and chairman Mrs. Harvey Tibbals will present a reception for orchestra members and their guests in the Little Theater foyer.

City Council Preschool to be Stuccoed, Waterfront Reviewed

Albany City Council Monday night accepted the low bid of Wimberly Plastering company at \$2,892 to stucco the Preschool building on Masonic. There will be a transfer of funds from Memorial Park Fund to help pay for the job.

On the suggestion of Councilman Joe Carlevaro, City Attorney Larry Saler, currently hospitalized, will be asked to review the status of Albany's waterfront. Councilmen bemoaned the five years wasted while the project was held up by citizen action, which finally ended last October, when the suit was dismissed.

Both Emeryville and Berkeley are way ahead of Albany now in waterfront development. Mayor Lewis Howell said they had been told at an ABAG meeting last week that the energy crisis is not expected to end until 1980. People will be staying close to home, he said, and could have been using the fishing, open space and recreational facilities on our own waterfront.

Council split 4-1 on granting an exempt business license to the Berkeley Ecology Center. Councilman Richard Clark's motion to grant the exemption died for lack of a second. Councilman George Hein, after a discussion, moved to deny. This passed 4-1 with Clark voting no.

Southwest Flexible Company was awarded the bid for a sewer rodding machine for the Public Works department. Low bid was \$4,185.

At last Tuesday's meeting, Council awarded the bid on a three-quarter ton truck to Jim Woulfe Ford. The bid accepted included a utility body and the cost is \$4,340, including tax. Monday night, Council approved calling for bids on a ton and a half dump truck because bids on the sewer rodding machine were lower than anticipated.

Action on amending the Home Occupation Ordinance was held over one more week because Councilmen still have questions about provisions.

A resolution commending Ruth McNair of Albany Library on her retirement after 18½ years will be drawn. A party in her honour is scheduled for

Easy yoga postures and relaxation techniques will conclude each lesson. One may register for only one class or both for quicker results. Rates are reasonable and child care is available for a nominal fee of 25 cents per child. Registration may be made before the class or by telephoning the Albany Y at 525-4447.

Note of Thanks

We wish to thank the Albany Fire Department who responded so quickly when assistance was needed. Also, our thanks to the many friends and neighbors who were so helpful at a time when our loss was so great.

An invitation to Councilmen and their spouses to attend the Albany Athletic Boosters winter banquet March 6 at the Veteran's Memorial building was filed after Mayor Howell said he hoped all would attend.

An application for on-sale general public alcoholic license at the Hotsy-Totsy was referred to the Chief of Police. A sidewalk injury claim against the city by Francis D. Shain was denied and referred to the City Attorney and Insurance carrier.

After several eulogies about

William F. Knowland, former U.S. Senator and publisher of the Oakland Tribune, who died Saturday, the meeting was adjourned in his memory at 8:30 p.m.

LAST WEEK

One action of the Feb. 19 meeting was not previously reported. This was Council approval of an agreement with the State of California Department of Human Resources Development to set up a local program to assist young people with no employable experience to get into the labor market by hiring them to work in city departments. Except for about 50 cents per day, the cost would be paid by the state.

1974 top Betty Crocker Leader of Tomorrow, winning the honor by scoring high in a written knowledge and attitude examination administered to high school seniors throughout the country. She will receive a specially designed award from General Mills, sponsor of the annual Betty Crocker contest, and remains eligible for state and national honors. Congratulations!

MRS. GEORGE JAEKLE of Albany, chairman of the Daughters of American Revolution Good Citizenship Awards, will present those awards to four senior girls (none from Albany) at a tea being given today at a home in Piedmont.

MRS. EDGAR (RAE) VOLZ, former member of the Albany Board of Education, was a featured soloist Monday at the monthly concert and tea of the Etude Club of Berkeley. She sang five songs in German by Hugo Wolf. She appeared at the Berkeley Piano club meeting on Feb. 20. She also is a member of the San Francisco Musical

Society and another of Albany's nice, talented people.

NEWS FROM THE Boondocks: Former Police Chief Ralph Jensen is heading a committee in Stonyford to repair an old Catholic church so Shirley won't have to drive 30 miles to Mass. They have a priest who will come there on a regular basis. Suppose the church might be called St. Ralph's?

CHIEF JIM SIMMONS reports the man responsible for the robbery at Hollfelder's Jewelry has been arrested and bound over to Superior Court. Crime doesn't pay in Albany!

NEIGHBORS of Mrs. Gladys Darch honored her on her 80th birthday Friday with a block party at the home of Mr. and Mrs. Ted Latvala, which was attended by 73 people. They came from Shasta, Napa, Vallejo, Castro Valley, El Cerrito and Berkeley. A sister from Petaluma could not attend because of the gas shortage. Mrs. Darch and her late husband, Norman, a postal worker, moved into their home on Pomona in February, 1928. She still lives in that house. Through the years, the couple had a Christmas morning party annually.

Mr. Darch portrayed Santa and gave a little speech about every child, who was then given a nice hand-picked gift.
On Sunday, there was a money tree for the retired Richmond teacher plus cards and gifts. She had a birthday cake and wore a white orchid. A wonderful time was had by all who attended. Co-hosting were Mr. and Mrs. Larry Delaney and Mr. and Mrs. Daniel Thomas.

CHILDREN'S HOSPITAL recently honored volunteers, including several from this area. Mrs. Leslie Burnett of Kensington and Mrs. Warren Harnden and Mrs. R. F. Klaver, both of Albany, received 100-hour pins. Anthony Montano of Berkeley (cousin of Tony Montano of Albany Rotary Club) received a pin for 1,234 hours of service and Mrs. Alice Corcos of Kensington was honored for 1,649 hours. Teenagers and adults interested in working with our wonderful children may contact Mrs. Peter Thatcher, volunteer director, at 654-5600, ext. 406.

In Soviet Russia, one out of three workers is engaged in the production of food and fiber. In the United States, only one out of 16 is associated with agricultural production.
